MEMORANDUM FOR: Deputy Director for Plans

When I received your memorandum of 7 September 1966 on the grades of journeymen analysts in the Records Integration Division, I asked Emmett Echols to look into this again before sending it on to Colonel White. Certainly, we aren't going to bring any group from the Civil Service Commission into the picture; this is a matter for CIA decision.

Emmett has had further discussions with [] and I believe we are going to be able to resolve the problems involved without resorting to a "command decision." I hope you will agree with my holding your memorandum for a short time to see if the problem can be resolved in this manner.

<p>Remarks: Alan:</p> <p>I am attaching a memo to you which I think you might forward to the DD/P regarding our action on the RI analyst jobs with a notation: "Since receiving your memorandum of 1 September 1966, I have asked the Director of Personnel to review further the problem of the RI analyst grade classifications. His report is attached for your information. It appears that the problem will be resolved and that it will be unnecessary to refer it to the Executive Director-Comptroller for further review."</p> <p>I am also attaching a chronology on the developments in this problem which you asked [] to supply and a statement of PMCD's evaluations of the jobs.</p>
